Session 2

Strategy

Growth Strategy

Organic Growth

- Focus on developing existing projects in Jakarta and Surabaya
- Maximize the value of existing asset portfolio (e.g. mixed use & high rise)
- Continue the land acquisition surrounding existing projects

Acquisition Growth

- Strategic acquisition to support our vision and mission
- Maintain focus on our core business
- Prudent acquisition to increase our long term stakeholders' value

Strategic Partnership

- Strategic partnership to strengthen our position
- Track record in developing joint projects with strategic partners
- Provide balance sheet support for project execution

Capital & Investment Management

- Cash flow management to sustain our growth and profitability
- Prudent financing to manage our business risks
- Expand our global network to support our financing strategy

Mission

To be reputed as a transparent, trustworthy and trendsetting property developer committed to highly sustainable and long-term growth and profitability that deals fairly with all stakeholders

Vision

To make possible the experience of not only living, but living well throughout Indonesia

Strategic partnership case study: GIC

Our JVs with GIC present a good example of what we seek in a strategic partner and how we employ such partnerships as a way to mitigate development risk and proactively strengthen our balance sheet

JV overview

November 2016 &
April 2019

- Entered into a JV with GIC to divest 40% ownership stake in the integrated mixed-use complex, **South Quarter (both Phase 1 & 2)** in Nov 2016 and an additional 9% in April 2019
- Together with GIC, Intiland will continue to develop South Quarter Phase II, which comprises two condominium towers

August 2017

- Entered in a 2nd JV with GIC for the ownership and development of the Phase I of **57 Promenade** project in Jakarta
- Post transaction ownership breakdown in 57 Promenade Phase 1: Intiland (36.63%), GIC (33.40%), land owner JV partner (29.97%)

Strategic benefits

- ✓ **Synergistic strengths and experience/track record of quality partner**
 - As one of the largest institutional real estate investors globally, GIC brings broad knowledge and expertise from its investment network
 - Intiland, in turn, provides local market insights, a proven development track record and land bank access as one of the most established Indonesian property developers
- ✓ **Enables Intiland to expand into new projects while reducing funding needs and mitigating execution risk**
- ✓ **Like-minded partners with a long term investment outlook**
- ✓ **Our 2nd JV with GIC in 2017 further demonstrates confidence in our capabilities and is a testament to the strength of our partnership**

Capital management

- Total sale proceeds from divestment of 40% stake in South Quarter: IDR 1trn
 - Received IDR 750bn of which c.IDR 660bn was used to pay off the project loan
 - Remaining amount of IDR 250bn will be used as working capital for the construction of South Quarter Phase II
- Total sale proceeds from divestment of 9% stake in South Quarter: IDR 244bn
 - The proceeds will be used to strengthen Intiland's financial position
- Total sale proceeds of IDR 230bn for divestment of stake in 57 Promenade Phase 1
 - IDR 184bn was used to reduce loan
 - Remaining amount of IDR 46bn will be used as working capital

Our long term land bank strategy will focus on balancing sustainable growth with mitigating balance sheet and execution risk

- Optimize utilization of current land bank (e.g., high density mixed use developments)
- Focus on land consolidation and project extension in area surrounding or in close proximity to existing projects
- Enter into strategic collaboration with land owners to minimize capex for land acquisition
- Leverage on capital recycling opportunities (e.g., divest longer term land bank holdings with no immediate development plans)
